

LIBERTY LOAN DRIVE

Richmond County's Quota \$500,000 — Treble the Quota of The Third Liberty Loan. Names of Committee.

The quota assigned Richmond county for the Fourth Liberty Loan is \$500,000. The State must raise \$39,900,000.

The Drive was launched in the courthouse last Saturday, with addresses by W. L. Parsons and Mrs. Boyd Gasque.

To date \$210,000 has been subscribed; while this is nearly half the amount, still it must be borne in mind that it represents the large subscriptions of the cotton mills. In order to raise the remainder, our people as a whole must respond. The bonds are in denominations of \$50, \$100 and on up, and can be paid in installments over a period of three months.

If any of the committeemen do not see you, make it a point to see them, or go to your bank and have your subscription entered.

The chairman for the county is W. L. Parsons, and the chairman for the Woman's Committee is Mrs. Boyd Gasque. These have appointed the following committees, respectively; and every committeeman and committeewoman is urged to begin canvassing AT ONCE.

The Richmond County Liberty Loan Committee consists of: A. J. Little, D. A. Parsons, B. B. Farlow, K. F. Lowdermilk, J. W. Butler, Mrs. D. L. Culberson, H. H. Brown, J. F. Diggs, John W. Capel, L. H. Rockingham No. 1—Mrs. G. G. Terry. No. 2—Mrs. W. N. Everett. Mrs. W. P. Webb is appointed to organize the colored people of the county.

The slogan of "Richmond County" Woman's Liberty Loan Com. is:

"A house to house, man to man, woman to woman canvass, a Liberty Bond in every home! The largest possible number of Bonds to the largest possible

number of people!"

Captains are authorized to offer as a prize a Thrift Stamp to the worker securing the largest number of subscriptions. A Thrift Stamp is offered as a prize to captain making best returns in proportion to territory. Names of winners and number of subscriptions secured will be published. Forces are being marshalled for vigorous attack; strong teams already at work. Watch next week's issue for further report.

Mrs. Boyd Gasque, Chm.

Notice to Parents:

The school authorities of the town of Rockingham wish your cooperation in the matter of prevention of an epidemic of influenza in our midst. This is a time in which special care should be given the children. After this notice each teacher in the city schools will be instructed to inspect the condition of her pupils daily and to exclude from school those pupils who show colds and coughs and similar symptoms that attend the early stages of influenza.

No case of influenza has yet been reported officially in Rockingham or vicinity, and the above measures will be taken only as a matter of precaution.

It is needless to say that children should not be allowed to assemble unnecessarily, and that especial attention should be given colds, and that in the early stages of the disease.

As soon as children are free of colds, they should return to school.

"Them's Our Sentiments."

The following is clipped from last week's Maxton Scottish Chief, regarding our townsman, Rev. J. H. Hall, and the Post-Dispatch endorses every word that can be said about our citizen preacher:

"Presiding Elder John H. Hall preached at St. Pauls church Sunday night. This probably being the last sermon to this congregation, as he is filling out his four years on Rockingham district, his message was very earnest and appealing.

Everybody loves Mr. Hall and those to whom he has ministered throughout this district will not cease to pray for his welfare, wherever his future work may be. St. Pauls Quarterly Conference would have spread their appreciation on the minutes in the form of a resolution but he requested it not to be done."

Miss Dorothy Fairley resigned the school she first accepted in Scotland Co., and has accepted a position in the High School at Laurinburg. She will be with Mrs. John Shaw there.

ACT QUICKLY

Do the right thing at the right time.

Act quickly in time of danger.

In time of kidney danger Doan's Kidney Pills are most effective.

Plenty of Rockingham evidence of their worth.

Mrs. G. A. Seawell, Depot st., Rockingham, says: "I don't know what caused my kidney complaint, but I first noticed a dull, heavy pain across the small of my back. When I bent over, knife-like pains would shoot through me, and I got dizzy, black specks appeared before my eyes and I could hardly stand. Mornings I was sore and lame and my kidneys annoyed me by not acting right. I tried different remedies, but didn't get relief until someone advised me to try Doan's Kidney Pills. In a short time they cured me and the trouble has never returned."

Miss Elsie Fairley passed through the city Monday en route to Asheville to join her parents. St. Mary's School at Raleigh has temporarily closed on account of the influenza.

Master George S. Steele celebrated his fourth birthday Tuesday, by entertaining a "spend the day" party of his first cousins about his own age. Geo. Jr. is a lovable little fellow, and as nice a compliment as can be handed him is that he is a "Chip of the Old Block."

CHILDHOOD DAYS WERE DARKENED

Little Girl Was so Irritable That Those Who Should Have Been Her Playmates Avoided Her.

Advt.

There is nothing so pitiable as a child whose days are saddened by ill health, as was the case with little Sallie Phipps, daughter of Mrs. C. R. Phipps, 327 South street, Durham, who describes her daughter's condition: "Sallie, who is nine years old, was until quite recently in such a physical state that life was miserable for her and every one around her. She was so nervous that the presence of playing children almost drove her frantic. This was due to her health; her digestion was poor, and blood became so bad that she developed sores all over her body. Weakened in this manner she was an easy prey for disease and developed pellegra. Nothing seemed to help her until I gave her Peplac, which quickly brought a change and she could soon eat solid food without distress. Her system is free of pellegra, she has gained in weight and strength, plays with other children and is as happy as any child could be."

Buy a bottle of Peplac today at L. G. Fox or S. Biggs. What it has done for others it will do for you. Ask your druggist.

GINGLES' JINGLES

JOSEPHUS.

Josephus was a lawyer once, he's not one any more, he has availed somewhat, now in politics does soar; he's our Homeburg politician, he's the leader in our town, if you want to cop an office, if you're looking for renown, 'tis Josephus that can stake you—he can boost or queer your chance, it is he controls the voters, he who yodels—they who dance. Years ago in school we knew him. "Foghorn Joe," we called him then, never strong was he on learning—never handy with the pen; but orations—how he loved them, he could paw the air and shout, destined to become some lawyer, of that no one had a doubt. So his parents sent Josephus to a college there to learn how to read, expound, interpret laws of every crook and turn; to the bar he was admitted, proudly finished up his course, and could radiate some learning, talk for hours and not get hoarse. But he never put it over—as a lawyer he fell down, but in politics is heavy, he's the bear in our home town. Yes, Josephus as a lawyer was a failure and a bum, now he's making laws in congress—that for some is going *Lin H. Single* some.

DOLLARS THAT FIGHT!

—\$—

The war will be won by men and ships. To raise and supply armies, and to build and equip ships, requires money—vast sums, and the PEOPLE must lend this money to the Government. The Government is now asking the people of Richmond county to lend it \$500,000, at 4 1/4 per cent interest, free from taxation. It is a splendid investment, as well as a patriotic duty. The bonds are in denominations of \$50, \$100 and on up. Payments over a period of three months, in installments. Consult any bank and make your subscription NOW. Don't delay. Your Government needs the money, and it depends upon YOU to lend it.
